

**Prof. Issa Chaer**

**Dr. James Bishop**

**Mr. Karim Farah**

**Prof. Hesham Safwat**

**Sustainable Development Goals:  
Translation between research and practice  
Sustainable Human Buildings: Occupants' behaviour  
on energy use in higher education buildings**

**Webinar - Online Event  
Monday, 1 July 2024 - 15:00-17:00**

We are delighted to announce the launch of the 'Sustainable Human Building' webinar series and invite you to the very first step of this event. It is a great networking opportunity to learn about on-going research projects of experts from various academic disciplines across the globe. We are looking forward to seeing you all in this event.
